14 February 2013

Dear Pat,

Hire of New Sixth Form Teaching Accommodation at Christ the King College

Thank you for your letter of 14 February in which you requested confirmation that the Council is in agreement with the following assurances which have been given by the Governing Body:

1. The Council agrees that the expenditure to be incurred by the Governing Body under the Hire Contract and otherwise in connection with the project falls within the delegated budget and is not the responsibility of the Council under the Schools and Standards Framework Act 1998, or otherwise.
2. The Council is satisfied that the Governing Body has complied with the requirements of the Council's Scheme for Financing Schools in relation to the procurement of the project.
3. The Council accepts and agrees the Governing Body's assessment of the Hire Contract as an "operating lease" for the purposes of applicable guidance and standards
4. The Council approves the entry into the Hire Contract by the Governing Body and agrees that the same will not cause the Governing Body to be in breach of any restrictions or obligations stated in the Scheme for Financing Schools or exceed any limitations on the powers of the Governing Body stated in the Schools and Standards Framework Act 1998.

I can also confirm that the Council will have no objection to the Governing Body providing a copy of this letter to BOS Hire Limited.

Yours sincerely

Steve Beynon
Chief Executive
